Residential Standard Cleaning Checklist

Our Residential Standard Cleaning service is designed to maintain a consistently fresh, organized, and welcoming home environment. This cleaning focuses on visible surfaces, high-traffic areas, and general tidiness, ideal for recurring weekly, biweekly, or monthly visits. It includes all standard upkeep tasks but excludes deep cleaning and cleaning inside of cabinets, drawers, and major appliances.

Whole House - General

- Dust all reachable surfaces (tables, shelves, decor)
- Dust baseboards, window sills, and trim
- Wipe light switches, door handles, and other high-touch areas
- Remove cobwebs from ceilings and corners
- Vacuum all carpets and rugs thoroughly
- Sweep and mop all hard floors, paying attention to edges and corners
- Empty trash bins and replace liners
- Straighten and tidy up all visible rooms and spaces

Living Room / Common Areas

- Dust furniture (tops, sides, legs, and undersides)
- Wipe glass tables, mirrors, and décor items
- Fluff and arrange pillows and throws neatly
- Wipe TV screens gently with dry microfiber
